Alexander Hladkyi

Designer / UX + UI + Interaction

▶ Work Experience

AppSuite @ Yael Acceptic • UX/UI Designer

Aug 2020 - Present

Currently, I work as a UX/UI designer on a new version of the SaaS product aimed at the Food & Beverage industry.

Self-employed • Designer

Mar 2013 - Aug 2020

Worked as a independent designer with a focus on mobile space in particular. My work involved creating wireframes, low & high fidelity mockups, prototypes, design consulting and more.

Consultica • UX/UI Designer

Dec 2015 - Apr 2018

Designed multiple mobile applications. Supported designs on existing projects of the company.

Independent Contractor • QA Specialist

Apr 2007 - Sep 2017

Provided QA on a number of projects including:

- Financial & Market Data Information
 Service (NDA)
- Entertainment Portal (NDA)
- Automotive Auction Website (NDA)
