▸ Work Experience

Independent Contractor • Designer

Mar 2013 – Present

I also work as an independent designer with a focus on native apps. My work involves creating wireframes, low & high fidelity mockups, limited prototypes, design consulting and more. Recently I have worked on:

- Suite of applications for a startup in the logistics industry
- Exploration prototypes for a B2B environmental control service
- Mobile project management app for events industry

AppSuite @ Yael Acceptic • UX/UI Designer

Aug 2020 – Oct 2022

I worked as a UX/UI designer on a new version of the SaaS product aimed at the Food & Beverage industry as well as made design improvements to existing company products.

Consultica • UX/UI Designer

Dec 2015 – Apr 2018

Designed multiple mobile applications. Supported designs on existing projects of the company.

Independent Contractor • QA Specialist

Apr 2007 – Sep 2015
