▸ Work Experience

Self-employed • Designer

Mar 2013 — Present

Currently, I work as a freelance designer with a focus on mobile space in particular. My work involves creating wireframes, low & high fidelity mockups, prototypes, design consulting and more.

Consultica • UX/UI Designer

Dec 2015 — Apr 2018

Designed multiple mobile applications. Supported designs on existing projects of the company.

Financial & Market Data Information Service (NDA) • QA Specialist

June 2008 — Sep 2017

Provided QA for a web-based application with a vast database on PE Industry entities, integrated with other Financial Information Services.

Entertainment Portal (NDA) • QA Specialist

Dec 2007 — June 2008

Provided QA for a web portal with various interactive elements used to promote a recently launched automotive product.

Promotional Auction Website (NDA) • QA Specialist

Apr 2007 — Nov 2007

Provided QA for an auction website that was used to launch and promote a new product line in the automotive industry.
